

LYNDHURST SCHOOL NEWS

Michaelmas Term No 1

September 2009

It is a great delight to send you this first newsletter for the academic year 2009-2010. Your children, our pupils, are quickly settling into their new school routines and school is once again full of their happy and cheerful activity. Our new pupils are learning their way around school and interest is growing as the first teams are selected for the first fixtures. After school activities are now underway, so please check with your children what they are involved in to assist both yourselves and school with end of day collection arrangements. Do please make note of the information in this newsletter, particularly the change of date for our Christmas Carol Service.

After School Club

This is a great place for children to wait for parents collecting after 4.00pm. They are encouraged to complete homework initially and then to make use of the various games and activities on offer. A small snack is provided, but if you know your child will be there after 5.00pm you may wish to send them to school with an additional snack.

Macmillan Big Coffee Morning

This event is being held in the Gruggen Room of Pocklington School on Friday 25 September (flyer to follow with full details) Cake donations are welcome, please bring to the Gruggen Room on the day or they can be left at Lyndhurst reception the day before.

Sunday 18 October

Activities

This term's Activity sheet is on the reverse of this newsletter. Children or parents can check the activities notice board for further details.

Cycle Proficiency

Thank you to all those pupils who have signed up for this training course.

We have been overwhelmed with the enthusiasm to learn to cycle safely. We will be running three courses: one in April and two in June - details of which course your child will be joining will be sent to you nearer the time.

Christmas Carol Service

I apologise for mentioning Christmas this early in term, however, I need to inform you of a change of date for this year's Lyndhurst Carol Service. The calendar lists the service as being on Wednesday 16 December; please note that this service will now be held on Thursday 17 December at 4.00pm.

A Great Big Thank You!

I would like to take this opportunity to thank parents, children and staff for the generosity and kindness they showed towards me at the end of the summer term. On my retirement from Lyndhurst I received a lovely gold chain, along with other delightful gifts, cards and messages, all of which I shall treasure. I have also many wonderful memories.

Sue Sumner
