Headmaster
Mark Ronan MA Cantab

Chemistry Lab Technician

37.5 hours per week (Monday to Friday), working term time only plus 4 weeks

Are you as passionate as we are to inspire and nurture young people? Would you like to work in a friendly and supportive environment at our successful and thriving co-educational day and boarding school?

Working closely with the science teachers and technicians you will provide support to all aspects of practical Chemistry work. Educated to at least A Level Chemistry, you will have previous laboratory experience along with a passion for science. You'll also need to be diligent and organised with a strong health and safety awareness and have good IT skills.

You can access further information and an application form from:
